Girl Scouts is the world's pre-eminent organization dedicated solely to girls – all girls – where, in an accepting and nurturing environment, girls build character and skills for success in the real world. In partnership with committed adults, girls develop qualities that will serve them all their lives – like strong values, social conscience, and conviction about their own potential and self-worth.

In Girl Scouts, girls discover the fun, friendship and power of girls together. Through the many enriching experiences provided by the Girl Scouts, they can grow courageous and strong.

Thanks for helping girls in this community grow strong.
