Every registered girl and adult member is covered by a basic *secondary* accident insurance plan for accidents occurring during any approved, supervised Girl Scout activity that does not last more than two consecutive nights. The basic Girl Scout accident insurance does not cover non-members. Insurance may be purchased which will pay medical expenses resulting from both accidents and sickness. Registered Girl Scouts must purchase optional insurance for their trip, camp out or event when more than two consecutive overnights are planned.

Write names of all participants in the appropriate columns below. Complete the summary to figure the payment due. Send form and a check for the appropriate amount made out to **“United of Omaha Life Insurance Company”** to the council office at least two weeks before the beginning date of the event. **(Minimum of \$5.00 purchase required.)**
