

...Remember to Turn in Your Evaluation....Remember to Turn in Your Evaluation...

Thank you for choosing to introduce your troop to the Positive Power curriculum. Enclosed are your **workbook order** and an **evaluation form** (other side of this document).

Upon completion, conduct an evaluation of Positive Power with the entire troop, tally the results and record on the evaluation form. In order to collect accurate information, it is important that girls provide their personal opinions, without influence of their peers. **Not every girl will have the same feelings at the end of the activities** and that is alright; we want to know each girl's opinion. Here are some ideas for conducting the evaluation session:

- Brownies: Ask the girls to close their eyes, read the statement, and ask for a show of hands to each answer statement (all, most, some of the time, or never).
- For Juniors and Teens: Have girls sit in a circle with their backs to the center. On separate pieces of paper, they write the appropriate word (all, most, some, never), crumple the paper, and throw them over their shoulders into the circle. Gather the pieces of paper and tally.

Evaluation forms must be completed and returned to a council office within 2 weeks of completing Positive Power workbook activities. Positive Power has been offered through grant funding. **In order to continue providing the materials (workbooks and leader guides), it is necessary to provide evaluative information to our funders.**

Troop Leaders – Thank you very much for doing the Positive Power program with your girls. Please read the statements to the girls, tally their responses and fill in the line next to the appropriate number. **Not every girl will have the same answer.** For example, if there are 8 girls in a troop and five girls answered “All of the time” on the first statement while three girls answer “Most of the time” to the same statement, record that on the evaluation below.

Girls – based on what you learned in the Positive Power program, indicate if you agree all of the time, most of the time, some of the time, or never:

- All = All of the time
- Most = Most of the time
