Bain

Hannah Bain, Lawrence, Kansas, is a senior at Lawrence Free State High School. She has participated in Girl Scouts for 8 years and is a member of Troop #7720, Service Unit 716.

Collaborating with fellow Gold Award recipients, Lauren Bandle, Caitleen Desetti and Kelsey Leinmiller-Renick, the girls wanted to enhance a special community location with an outdoor stage. The First United Methodist Church not only offers a home to a growing congregation, but it is also open for the entire Lawrence community to use. Hannah helped shop for supplies, create the plan for the stage and built it to completion. The stage can now be used for plays, special events and other community activities.

“By working with my fellow Girl Scouts, we became better friends, worked together to problem solve and utilized each others' strengths,” said Hannah.

Hannah's Gold Award project helped her build many skills including teamwork, goal setting and organization.
