Jordan  
Bain

Jordan Bain, Lenexa, Kansas, is a junior at Shawnee Mission West High School. She has been a Girl Scout for 12 years and is a member of Troop #3078, Service Unit 637.

Jordan combined her passion for animals and concern for people's safety in designing her project. She created a tip card that could be used to remind people to make smart decisions while on local walking trails. She also created a dog treat recipe that was healthy, appetizing, and easy for kids to assist in the making. She spent time passing out the recipe and tip cards at local parks.

"I connected with many people through a passion for animals and a concern for the public safety on the walking trails," said Jordan.

Jordan used her leadership skills to work through her project. She was able to stay organized, use her time wisely, work well with others, and have fun.
