

Molly Bergman

Molly Bergman, Olathe, Kansas, is a senior at Olathe Northwest High School. She has participated in Girl Scouts for 13 years and is a member of Troop #640, Service Unit 677.

Molly was inspired by her love of animals and the outdoors in completing her Gold Award project. Molly worked with the Olathe Animal Shelter to provide identification tags and collars for the animals awaiting adoption. In order to raise the funds to purchase the tags and collars, Molly collected aluminum cans. Molly worked with others to encourage recycling and help raise even more funds for her special project. In fact, Molly's service unit continues to collect can for even more collars.

"The best part of my project was sharing the story of the Olathe Animal Shelter and getting others involved to help make a difference," said Molly.

Through her Gold Award project, Molly grew in her leadership skills including organization, time management and goal setting.
