

Briana
Bondon

Briana Bondon, Lee's Summit, Missouri, is a sophomore at Notre Dame de Sion High School. She has been a Girl Scout for 11 years and is a member of Troop #129, Service Unit 649.

A desire to provide students with a memorial to two students who passed away was Briana's vision for her Gold Award. Working with her sister and fellow Gold Award recipient, Alexa Bondon, the girls created a butterfly garden at Lee's Summit West High School. The girls requested donations from local businesses. The environmental club at Lee's Summit West will help maintain the garden and add to it in the years to come.

"I think by doing this project I have connected not only with the students and faculty of the school but also the families of the students who passed away," said Briana.

The Gold Award project helped Briana reach her long-term goal, grow as a leader and work with others in accomplishing a task.
