Carney

Jennifer Carney, Kansas City, Missouri, is a senior at North Kansas City High School. She has been a Girl Scout for 11 years and is a member of Troop #1408, Service Unit 607.

The goal of Jennifer's Gold Award project was to build a gazebo in the courtyard of the First United Methodist Church of North Kansas City. She worked with fellow Gold Award recipient, Jennifer Shea to complete her project. The location is accessible by four churches, the library, high school and police station. The girls raised the funds themselves by doing various jobs and fundraising project. Many members of the community are now using the gazebo.

"Our goal was to unify the many organizations gathered in the area by building an area where all were welcome to enjoy the outdoor space," said Jennifer.

By completing her Gold Award, Jennifer learned many new skills including basic construction, time management, volunteer management, and organization.
