

Haley  
Doyle

Haley Doyle, Overland Park, Kansas, is a senior at St. Teresa's Academy. She has participated in Girl Scouts for 12 years and is a member of Troop #114, Service Unit 639.

Remembering her experience volunteering with second graders at Our Lady of the Angels Catholic grade school inspired Haley in completing her Gold Award project. Haley discovered the school did not have a library, so she wanted to create one that all the students could use. She knew creating a library would be a huge undertaking, but she wasn't deterred as she organized adult volunteers and younger Girl Scouts to solicit donations, label the books, organize a check-out system and get everything on the shelves before school started. When the children arrived for the first day of school, more than 4,000 books were organized in their new library.

"The best part of my project was watching one of the second graders walk through the new library door, eyes lit up as she looked at the shelves and then she just said Wow!" said Haley.

Through her Gold Award project, Haley grew in her volunteer management, organization and presentation skills.
