

Anna
Hall

Anna Hall, Topeka, Kansas, is a freshman at Rockhurst University. She participated in Girl Scouts for 11 years and was a member of Troop #7567, Service Unit #712.

For her Gold Award project, Anna helped to create community awareness for a very special nonprofit organization, Catholic Charities. In addition to creating more awareness, Anna also hoped her project would gain more financial and volunteer support for the organization. She created a PowerPoint in English and Spanish so that the organization could share it with potential clients and donors. In addition to creating the presentation, Anna also provided hands on volunteering utilizing her Spanish language skills.

"This project made me feel incredible, because I was able to work with others and create something that will have an impact for years to come," said Anna.

Through her Gold Award project, Anna grew in her leadership skills including patience, working with others and organization.
