Mackenzie Hall

Mackenzie Hall, Trenton, Missouri, is a freshman at Missouri Western State University. She has participated in Girl Scouts for 7 years and was a member of Troop #8096, Service Unit 821.

For her Gold Award, Mackenzie worked with fellow Gold Award Recipient, Lindsay Creason, to provide children with the opportunities to learn about healthy living. The children were taught about the food pyramid and good eating habits through a series of workshop opportunities. Participants were able to try a variety of healthy snacks as well as make their own.

Mackenzie was able to utilize numerous skills for her project including organization, creativity, communication, and leadership.

"I feel my project impacted the lives of the children we worked with and hope they continuing making healthy choices," said Mackenzie.
