

# Bailey Harper

Bailey Harper, Kansas City, Missouri, is a freshman at Maple Woods. She participated in Girl Scouts for 6 years and was a member of Troop #1913, Service Unit 607.

For her Gold Award, Bailey renovated the children's playground at Northminster Presbyterian Church in Kansas City, Missouri. She worked with the church leadership to establish a long-term plan to complete the playground. Through a series of fundraisers, she raised money for a piece of equipment to start the project. She plans to continue working with the church to complete the project. She is currently researching grant possibilities and will work with the church leadership to pursue these grants.

Through her project, Bailey was able to use her leadership skills to work with a variety of leadership and establish a long-term plan for the playground. The project taught her about cooperation and patience.

"This church is near and dear to my heart and I want to see more young people come to our church, and to our preschool," said Bailey.
