

Katie  
Hill

Katie Hill, Manhattan, Kansas, is a senior at Manhattan High School West. She has participated in Girl Scouts for 13 years and is a member of Troop #7368, Service Unit #704.

Katie worked with fellow Gold Award recipient, Brooke Mechels to improve their high school, Manhattan West. Before the start of the school year, the girls removed graffiti and gum from desks and helped the school staff with other projects in preparation of the coming year. Katie had to work hard to clean the desks and make them sanitary for the new year.

"I have such an appreciation for our school janitors, as they have to continually make improvements to help beautify our school," said Katie.

Through her Gold Award project, Katie improved her cooperation, time management and communications skills.
