

Katie Kucharski

Katie Kucharski, Blue Springs, Missouri is a senior at Blue Springs High School. She has participated in Girl Scouts for 10 years in Troop #512 in Service Unit 646.

For her Gold Award project, Katie wanted to provide a much-needed resource to her fellow high school classmates. As the economy continues to remain tight and costs rise, Katie decided to create a special clothing closet that students could utilize. Katie worked with her high school and the surrounding community to collect gently used clothing for the closet. Students in need of clothing are provided a private, convenient location to make their selections.

"Through this project, it was incredible to see the whole community get involved to stock the new clothing closet," said Katie. "I expect this closet to continue to have a great impact for years to come, as other students stay involved in its operation."

Through her Gold Award project, Katie utilized leadership skills including organization, time management and marketing.
