Serrano

Casey Serrano, Kansas City, Kansas, is a senior at F.L. Schlagle High School. She has been a Girl Scout for 11 years and is a member of Troop #1994, Service Unit 670.

Casey's vision for her Gold Award project was to give people in a nursing home more freedom. In talking with residents, she discovered that gardening was a difficult task as many could not kneel on the ground or leave their wheel chairs. In response, she created garden planters on wheels that are more accessible. She then worked with the residents to plant flowers in the planters.

"I truly enjoyed helping the residents and giving them back the ability to garden," said Casey.

The Gold Award project helped Casey reach her long-term goal, grow as a leader and work with others in accomplishing a task.
