

Jennifer  
Shea

Jennifer Shea, Gladstone, Missouri, is a senior at North Kansas City High School. She has been a Girl Scout for 12 years and is a member of Troop #1408, Service Unit 607.

For her Gold Award, Jennifer worked with fellow Gold Award recipient, Jennifer Carney. The girls built a gazebo in the courtyard of the First United Methodist Church of North Kansas City. The location is accessible by four churches, the library, high school and police station. The girls raised the funds themselves by doing various jobs and fundraising project. Many members of the community are now using the gazebo.

"The vision we had for our project was to build something that could be used by everyone in the city, and that has been accomplished," said Jennifer.

Jennifer was able to utilize her organization skills to accomplish the project, volunteer management skills leading her work team and communication skills in fundraising and advertising the project.
