We will also provide council updates on the second Journey – "It's Your World – Love It", Safety-Wise, product sales, trainer recognition and much more.

Cabelas will provide lunch for all, and in the afternoon the trainers for Leadership Essentials, age level, Cadette Advisor, First Aid-CPR and Plugged-In Guides will have team meetings and curriculum updates.

Please register for the conference online under course number: TRC-071809KC, so that we can supply materials and lunch for everyone!
