- # \_\_\_\_\_ Washbasin
- # \_\_\_\_\_ Fire buckets

**Note:** Timberline/Coleman tents may not be used for equipment storage.

## EQUIPMENT TRAILER

The council has trailers with supplies and equipment for large camping events held off council property. A single trailer has equipment suitable for 150-200 persons, based on a camp set-up of 10 units plus a headquarters. Trailers can be used on council property if the event requires more equipment than is already furnished at the site. Trailers are delivered to the site; padlocked, see confirmation for combination. Trailers stay on the site for the entire event. \$40.00 delivery charge for each trailer.
