• Read the story below to the girls.

Once upon a time, there was a little girl named Juliette Low who lived in Georgia and loved to ride horses. After she grew up, she went to London where she met Lord Baden-Powell, who founded the Boy Scouts. She was fascinated by the work he was doing. She studied with him for a while and decided to found a troop of Girl Scouts for the little girls who liked to ride horses in Georgia. So, Juliette Low said goodbye to the Boy Scouts in London and came home with the ideas that Lord Baden-Powell gave her. She formed a group of little girls who liked to ride horses and be together into a troop of Girl Scouts. The little girls loved it so much that the idea spread and now there are Girl Scout troops all over the world. Aren't we glad that a little girl named Juliette Low, from Georgia, who liked horses, went to London and met Lord Baden-Powell, the founder of the Boy Scouts, and came to start the wonderful world of Girl Scouts?

• Ask the following questions:
  o Who started Girl Scouts?
  o Why did she start Girl Scouts?
  o Do you know anything else about Juliette Low?

• Complete Step 1 of the Brownie Girl Scout Way badge.
• Teach the girls three new Girl Scout songs.
• One great resource is this YouTube site - http://www.youtube.com/user/sdgssongbirds
• A few great song options for Brownies include the “Brownie Smile Song," “Make New Friends" and “G for Generosity."
• You might also have an older girl or two come to your troop meeting to help.
• To teach songs, you could sing a line, then have the girls repeat after you.
• You might need to sing a song a few times.

4. Share the Sisterhood (15-20 minutes)
• Complete Step 3 of the Brownie Girl Scout Way badge - make a team mural, collage flag or other artwork.
• Have the girls work together to create a piece of art that shows the sisterhood of your troop.

5. Leave a Place Better than You Found it (5-10 minutes)
• This is Step 4 of the Brownie Girl Scout Way badge – A Better Meeting Place.
• Tell the girls "It's the Girl Scout way to care about the world around us- whether it's a room, a campground or the world. We always try to leave a space better than we found it."
• Ask the girls for ways they can leave their Girl Scout meeting space better than found it.
• Narrow it down to one and if possible complete it today. If it is something that takes a little preparation, plan to complete it at the next meeting.
6. Closing
   - Complete a Girl Scout Friendship Circle.
